*Caring
for our
community*

EACH YEAR, AS AN NSIGHT
FAMILY, WE STRIVE TO PUT OUR
WORDS INTO ACTIONS AND COMMITMENTS
INTO OUTCOMES.

*At Nsight, we believe that sustainability
means more than energy savings.*

We believe sustainability is about people, planet and purpose. It is about supporting opportunities within the communities where we live and work. From resource security to education, to human health and the environment, social sustainability means meeting the needs of the present and investing in the future through our time, talent and financial support.

When we come together to fight for what matters, we are helping sustain life within our communities. In 2022, from programs like Green Gifts, aimed at protecting the environment and promoting conservation to Givin' A Little Back (GALB), turning employee philanthropic efforts into charitable donations, Nsight harnessed opportunities to support those in need. We fostered community partnerships as the Cellcom Green Bay Marathon awarded \$100,000 to Greater Green Bay YMCA and New Community Shelter and we teamed up with our tower partner, Vertical Bridge, to donate \$15,000 to Feeding America Eastern Wisconsin.

Throughout 2022, Nsight supported 451 unique programs, projects and initiatives. The following pages of our Community Impact Report showcase another year sustaining our commitment to sharing good.

Brigid Riordan
CEO

A PERSON WHO IS FOOD INSECURE LACKS CONSISTENT ACCESS TO ENOUGH FOOD TO LIVE AN ACTIVE, HEALTHY LIFE. IN THE STATE OF WISCONSIN ALONE, 1 IN 8 PEOPLE DO NOT KNOW WHERE THEIR NEXT MEAL WILL COME FROM. BY TAKING ACTION, WE CAN WORK TO COMBAT THIS ISSUE AND HELP THOSE FACING HUNGER.

Fighting Food Insecurity

In 2022, Cellcom supported a number of organizations working to improve food access in their communities. From non-profits like New Leaf Foods, with a goal of empowering individuals through healthy food education and access in Green Bay, to The FRESH Project, a partnership bridging food resources to secure local needs in Shawano County, and more, we all have a role to play in the fight to end hunger.

On top of the community-based efforts, Cellcom teamed up with tower partner Vertical Bridge to make a wider reaching impact across our service area. Cellcom and Vertical Bridge donated \$15,000 to Feeding America Eastern Wisconsin. Each year, Feeding America Eastern Wisconsin distributes more than 33 million pounds of food and is a vital resource for rural communities. In addition to using its buying power to make donated funds go further, the organization uses its logistical resources to rescue food waste and redistribute to those in need. With our donation, more than 60,000 meals were provided to individuals in need in Northeast Wisconsin, supporting 154 pantries across Cellcom's service area.

Hunger impacts:

- Academic achievement
- Cognitive and physical development
- Social and behavioral response
- Workforce preparedness
- Health and well-being

Source: feedingamericawi.org

Your support as a Captain-level sponsor of the Salvation Ride is greatly appreciated. You are a true friend to the many struggling families we serve in Sheboygan County.

Major Jay Davis
Corps Officer and Pastor
The Salvation Army

*Touching
lives*

Without you and the support of others like you, the shelter would not be able to help and empower individuals who are experiencing homelessness.

Terri Refsguard
New Community Shelter

From the bottom of my heart, thank you for everything. I wish I could put into words how much this means to the Y and the people we serve. This money is going to go a really long way towards growing the number of health specialty program offerings we have so that we can serve more people in the Greater Green Bay community.

Katie Mandell
Greater Green Bay YMCA

*We make a living by what we get.
We make a life by what we give.*

Winston Churchill

**Employees spent
3,262 hours volunteering
and gave personal monetary
donations to organizations.
Nsight extended these
contributions, giving a total
of \$11,395 to 48 unique
organizations.**

Cellcom Green Bay Marathon

In 2022, the Cellcom Green Bay Marathon made its return to an in-person event after two years of virtual races. The spirit of the community was strong as thousands of runners, hundreds of volunteers and dozens of area businesses came together on race weekend. Event proceeds of \$100,000 were given to two charity partners, Greater Green Bay YMCA and New Community Shelter.

With a commitment to healthy living, Greater Green Bay YMCA used donations from the marathon for community wellness initiatives. At New Community Shelter, proceeds helped support their Community Meal Program, a lunch and dinner meal program available 365 days a year, to any child or adult in need.

Givin' A Little Back

We don't have to be superheroes to make a difference; it's about taking the time and making the effort to give back to the communities we serve. With more than 740 employees based throughout our service area, Nsight team members used their time and talents to give back to the causes that mean the most to them.

The Givin' A Little Back (GALB) program allowed employees to turn their philanthropic efforts into monetary donations to a non-profit organization of their choice. Nsight matched volunteer hours and donations to further the impact of our employees' efforts.

We would like to extend our heartfelt thanks for supporting the 2022 Volunteer Awards! We could not provide such a celebration of the powerful impact volunteers have within our area communities without the sponsors, judges, nominators, and volunteers.

**The Volunteer Center
of Brown County**

On behalf of the entire YMCA family and those we serve, thank you for giving the gift of hope, promise, and opportunity. Together we can build a better and stronger community for all.

**Ryan Zietlow
YMCA of the Northwoods**

*Stewarding
opportunity*

SUPPORTING FUTURE GENERATIONS IS PART OF OUR RESPONSIBILITY AS A SOCIETY. EACH YEAR, NSIGHT IS PROUD TO SUPPORT HIGH SCHOOL SENIORS IN THEIR PURSUIT OF HIGHER EDUCATION.

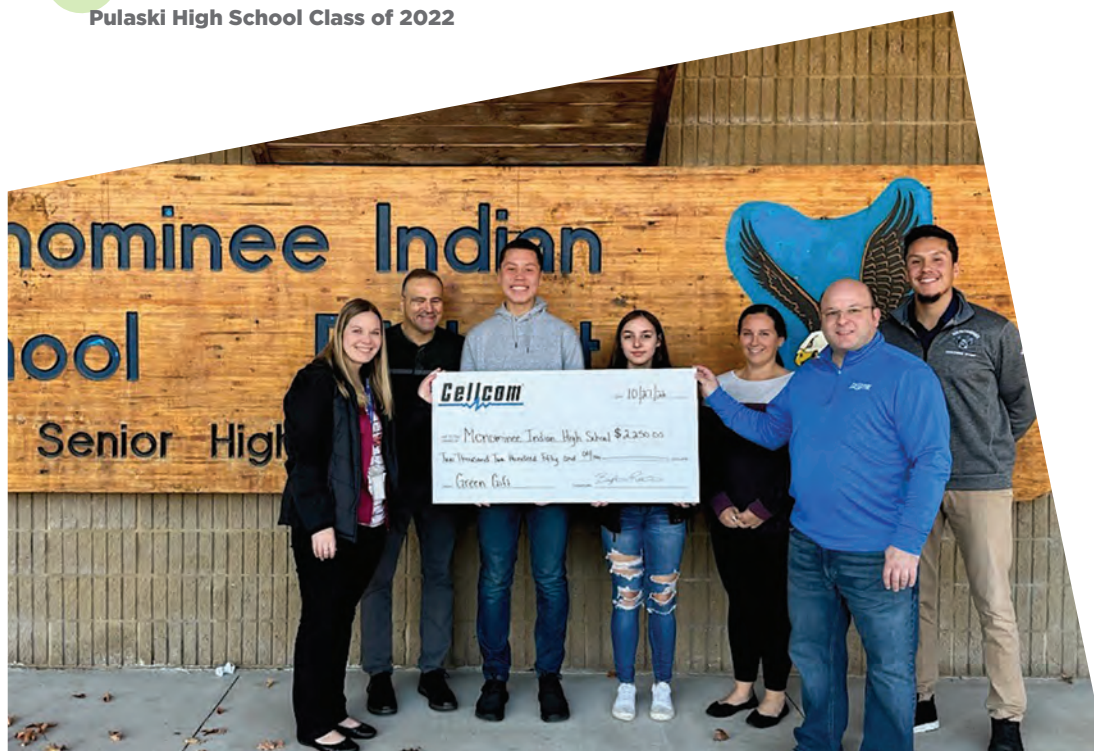

Twenty-five students were recognized and awarded a combined total of \$21,900 in scholarships.

Seven students received the \$1,200 Nsight Telservices scholarship and 16 students were awarded the \$750 Cellcom scholarship. Recipients demonstrated academic success and leadership within their schools and community, paving the way for others as they worked to reach their full potential.

Two Pulaski High School students received the Ray J. Riordan, Sr. Scholarship, a \$750 award given to editors of the Pulaski News.

I extend my sincerest gratitude and thanks for the Ray J. Riordan, Sr. Scholarship. With your help, I have the resources and opportunities to further my education and pursue my dreams.

Meghan Morgan
Pulaski High School Class of 2022

It is our collective and individual responsibility to preserve and tend to the world in which we all live. Dalai Lama

FROM OUTDOOR EDUCATION OPPORTUNITIES TO WATERWAY MANAGEMENT AND MONITORING TO NATURAL LANDSCAPE RESTORATION AND MORE, THIS YEAR'S GREEN GIFTS RECIPIENTS WORKED TO BUILD A MORE ENVIRONMENTALLY SUSTAINABLE FUTURE.

Green Gifts

Cellcom is focused on reducing our negative impact on the environment and investing in projects in our communities that do the same. Funded by money generated through our device recycling program, Green Gifts helps prevent electronic waste from reaching landfills and protects the environment at a local level. Over the past 19 years, \$580,936 has been given to initiatives across our service area.

Cellcom's 2022 Green Gifts program

donated \$30,527 to 32 non-profits.

Your financial support provides students a life-changing experience as they explore the Northwoods during our programs and take home with them stronger connections with nature and memories that last a lifetime.

Cheryl Todea
Trees for Tomorrow

The mission of the Howard-Suamico School District is to work together with families and the community to ensure our students have the knowledge and skills to succeed in a changing world. On behalf of the students – future generations that will benefit from this wonderful contribution – we again, offer our gratitude.

Damian LaCroix
Howard-Suamico School District
